RE: Public Records Requests

Dear Mr. Hoover:

Following our aggregation of your seven public records requests made to this office in May 2019 and estimate of the cost of fulfilling those requests, all of which was explained in our previous correspondence to you, we received a money order from the MuckRock Foundation of Somerville, Massachusetts for the estimated cost of \$749.23.

As a result, we worked to fulfill the request and produce the responsive records, the actual costs of which are as follows:

- 653 pages, at a cost of \$0.15 per page: \$97.95
- 3.25 hours of work at \$23.08 per hour: \$69.24
- 11.2 hours of work at \$58.97 per hour: \$660.46 (Consistent with our office's public records policy, the first hour of work performed by this employee was free of charge.)
- 2.5 hours of work at \$48.72 per hour: \$121.80

These costs total \$949.45, meaning that the money order previously sent to cover the estimated cost of fulfilling the request is \$200.22 less than the actual cost. Under our office's public records policy, full payment of actual costs is required before requested copies will be produced.

Please submit a money order payment of \$200.22 to Office of the Governor, Attn: Executive Assistant, Legal Office, State Capitol, 600 Dr. Martin Luther King Jr. Blvd., Nashville, TN 37243 by August 13, 2019, and we will complete processing of the request by sending you copies of the responsive records. Failure to deliver payment by that date will result in denial of your requests.

Sincerely,

Clark Milner

Deputy Counsel to the Governor

Public Records Request Coordinator
